

Volunteers for the Month 2007

March

**Elaine
Sparrow**

Elaine has been volunteering at the Center for the Arts Evergreen for the past two years. Her bright spirit and “can do” attitude is priceless to all of us at the Center. We truly appreciate all she does for us!

April

**Nancy
Zizic**

Nancy was previously a volunteer at the Denver Art Museum and a cater. Both of these skills have been welcomed with open arms at the Center for the Arts Evergreen. Nancy’s positive attitude and enthusiasm is not only contagious, but wonderful to be around!
